Hand Made Yorkshire Chorizo Now in Stock

We are pleased to announce the arrival of a fantastic new product to our stock list in the shape of Yorkshire Chorizo. Produced on Church End farm in Malham, North

Chris delivering our first Yorkshire Chorizo into stock!

Yorkshire, the producer, Chris Wildman, puts a lot of time and energy into his product and his passion is second to none. Chris came to down to see us last week with some samples and we were all extremely impressed! Full of flavour, a wonderful texture and hand made using only locally sourced ingredients it is perfect for either cooking with or eaten cold. We think this product would go incredibly well on any type of menu or would fly off a retailer's shelf! It is sold vacuum packed with at least two months use by date on. Each pack contains approximately 130gms of sausage which makes it easily manageable for your stock and there is also full traceability. We are launching this product at the bargain price of just £3.00 per pack. Well worth giving it a try and we would love your feedback on it. Lunch at the Bull a Raging Success!

Last Wednesday the Bull at Broughton was the venue for a fantastic lunch hosted by Nigel Haworth and Craig Bancroft from the Northcote Group. Courtesy of Yorkshire Life magazine, the lunch highlighted Ribble Valley Inn's use of good quality and local produce. We were proud to be invited as a supplier of the group and may we thank Nigel and Craig for their kind hospitality.
